## CS 440 — Pre-course Assessment

Mattox Beckman

---

- What is one strength you have demonstrated as a student up to now?
- What is one thing you could do to become a better student this semester? What is a concrete first step you can take to make this improvement?
- How much time per week do you think you will need to do well in this course?
- The objective of this course is to help you become very proficient in programming languages. Of what you have seen so far, what is one of the potential strengths of this course in meeting this objective?
- What is one advice you would give to the instructor to ensure that this course meets its goals?
